

Student & child Travel 2023-24

Arriva would like to take this opportunity to remind you about the options we have available to support students travelling to school on our bus services. Arriva Student Saver tickets not only provide your child with reduced priced bus travel on their journey to and from school, but they can also use their pass to travel in the evenings, at weekends and throughout all school term holidays.

You can spread the cost of our student saver tickets over affordable monthly payments with our easy-to-use direct debit scheme. It is simple to apply and there is no setup fee or minimum contract, which means you can cancel your direct debit and stop your ticket at any time should your circumstances change. This makes it the ideal way to get reduced price bus travel without paying upfront.

To arrange your Direct Debit and for further information please follow the link or scan the QR code below:

Child Saver tickets are valid for pupils up to and including year 11.
Student Saver tickets are available for anyone aged 16+ in full time education.

To ensure you get your ticket in time for the start of the new academic year, you can register now but set your payments to commence later in August. Once we have received your first payment, your ticket will be sent to you, so you won't need to worry about paying on the bus every time.

You can choose to receive your pass by post or if you download the Arriva UK bus app onto your child's phone, we can then send you an m-ticket.
