Dear West Park Families

## **WATER SUPPLY**

There are currently issues with the water supply across Spondon. Unfortunately, this means that we no longer have water coming into the school buildings.

With this in mind and with a focus on staff and pupil safety we have made the decision to close at **1.00 p.m.**

Please contact us at the school to confirm that you are happy for your child to leave site at this time. We will continue to supervise pupils until we have received permission from you that your child is allowed to leave the school site.

**Tonight's Year 7 Settling in Evening will also be postponed.**

Kind Regards

Scott McGregor  
Head
