

Careers Information

Summer Term Edition 2025

Here's a quick look at what's been happening in the world of careers this term:

STEM Trip to Rolls-Royce

Pupils explored engineering in action, meeting professionals and seeing real-world innovation up close.

Burton College Drama Workshops

A creative deep-dive into performance, stagecraft, and careers in the arts.

Year 9 Army Workshop

Teamwork, leadership, and insight into life in the armed forces.

Year 10 Careers Fair

Over 30 employers & colleges helped pupils explore future pathways and opportunities.

Success Beyond West Park

As we say goodbye to our Year 11's... we wanted to look back and celebrate our Alumni!

Panxin 2012-2017 Nuclear Degree Apprentice

“Don’t give up, you never know what opportunity is waiting for you!”

🎉 **Exciting News!** 🎉

Panxin will be joining us in school for Tomorrow’s Engineers Week in November 2025 – inspiring pupils with exciting career possibilities in engineering and technology!

Josh 2011-2016 Sustainability Analyst

“I’ve always wanted to do something with the environment and I wanted to combine maths and science, as they were my favourite subjects at school.”

Imogen 2011-2016 Veterinary Surgeon

"I use maths every day. I calculate dosages and volumes of drugs to be administrated to animals."
