9th March 2026

Dear West Park Families

I hope that you are all keeping safe and well during these strange times. I am sure that you will all be aware of the Red/Blue 'School Wars' trend that is circulating on social media. I mentioned this in my previous two letters and it appears to have spread across the community over the weekend.

Thank you to everyone who has taken the time to alert us to various posts and communications. I have tried to respond to you all personally and will continue to do so, as we work together to resolve this ridiculous situation. The strength of a community is really emphasised at times like this and I am hugely proud of how the West Park family responds to support one another.

We have been out and about in the local area from 07:45 this morning and things have been quiet and calm. There was also a police presence at the school and around the community.

I have spoken with the police this morning, as we work together to keep our children safe. We will be out again this afternoon, ably supported by local policing teams.

There will be no catchups, after-school clubs or detentions today. This will allow pupils to get home promptly while there is adult supervision in the area.

As always, we will do everything we can to keep our amazing children safe and protected.

Take care and please continue to pass on any information which may be relevant.

Kind regards

Scott McGregor
