GCSE DRAMA

GCSE Drama gives pupils the opportunity to explore the subject from a range of perspectives: by devising their own, original work; by bringing to life the work of a playwright; as theatre reviewers, developing their own thoughts on what makes drama and theatre successful; and as creative artists building and bringing a character to life through exploration and rehearsal. This is essentially a practical subject with lots of exciting performing opportunities and regular theatre trips. An ability to work well in groups is an essential requirement.

The qualification is made up of three components:

- (i) Two non-examination assessments (60% of the overall qualification)
- (ii) One examination assessment (40% of the overall qualification)
- (iii) Theory and practical work will be integrated throughout the course and all texts studied will be explored practically
