GCSE Art

Mock Examination 2023

In readiness for your mock examination in **GCSE Art: Fine Art** you must **LEARN** and **DEMONSTRATE** the following skills through your sketchbook work.

Students will carry out an Art examination of 10 hours to produce a final piece (AO4) based on our current topic: Collections which will count toward the Portfolio aspect of GCSE Art (60%). This work produced will evidence the GCSE Art OCR Assessment Objectives – a simple break down of assessment objectives can be found below including all of the skills required to meet these criteria by the end of the mock examination.

Assessment Objectives	
AO1	Develop ideas through investigations, demonstrating critical understanding of sources.
AO2	Refine work by exploring ideas, selecting and experimenting with appropriate media, materials, techniques and processes.
AO3	Record ideas, observations and insights relevant to intentions as work progresses.
AO4	Present a personal and meaningful response that realises intentions and demonstrates understanding of visual language.

Students require their Collections sketchbook fully completed submitting this at the end of the 10 hour examination. This will demonstrate evidence from the four Assessment Objective criteria.

Students should utilise the Collections 'checklist' that Art staff have provided which is located in their sketchbook.

The Art Department run KS4 voluntary drop-in sessions every Wednesday after school 3-4 in the Art rooms and also place students into intervention on Monday 3-4 to support those we identify as requiring additional help, improving work, hitting target grades, etc.

If you require any support or have any questions please speak with your Art teacher or contact a member of Art staff.
